### UNIQUE SCALES

SMART INNOVATION FOR A  
HEALTHIER, BETTER LIFE

# ABOUT US

## Shenzhen Unique Scales Co.,Ltd

- Founded in 2010 in Shenzhen.
- 15 years dedicated to creating the perfect scale.
- Focused on the R&D, manufacturing, sales, and service of smart scales.
- Offering OEM/ODM hardware, custom software/APP development, health data analysis, and cloud platform services.
- Now a leading global smart scale manufacturer with fully automated production lines.
- Holding industry certifications from countries worldwide.
- Recognized as a Specialized, Precision, and Innovative Enterprise in Shenzhen and a National High-Tech Enterprise.
- Serving global clients, including Fortune 500 companies and over 50 renowned brands across Europe, the US, Japan, Korea, Asia, the Middle East, Russia, HongKong, and Taiwan, in over 100 countries and regions.

Production value  
**\$65** million

Factory area  
**30,000+** square meter

Employees  
**800+**

Monthly production capacity  
**1.5+** million units

Pass rate  
**99.9%**

On-Time delivery rate  
**99.8%**

### Positioning

Focused on the R&D, manufacturing, sales, and service of smart scales (hardware & software).

### Vision

Empowering customers to win long-term market success.

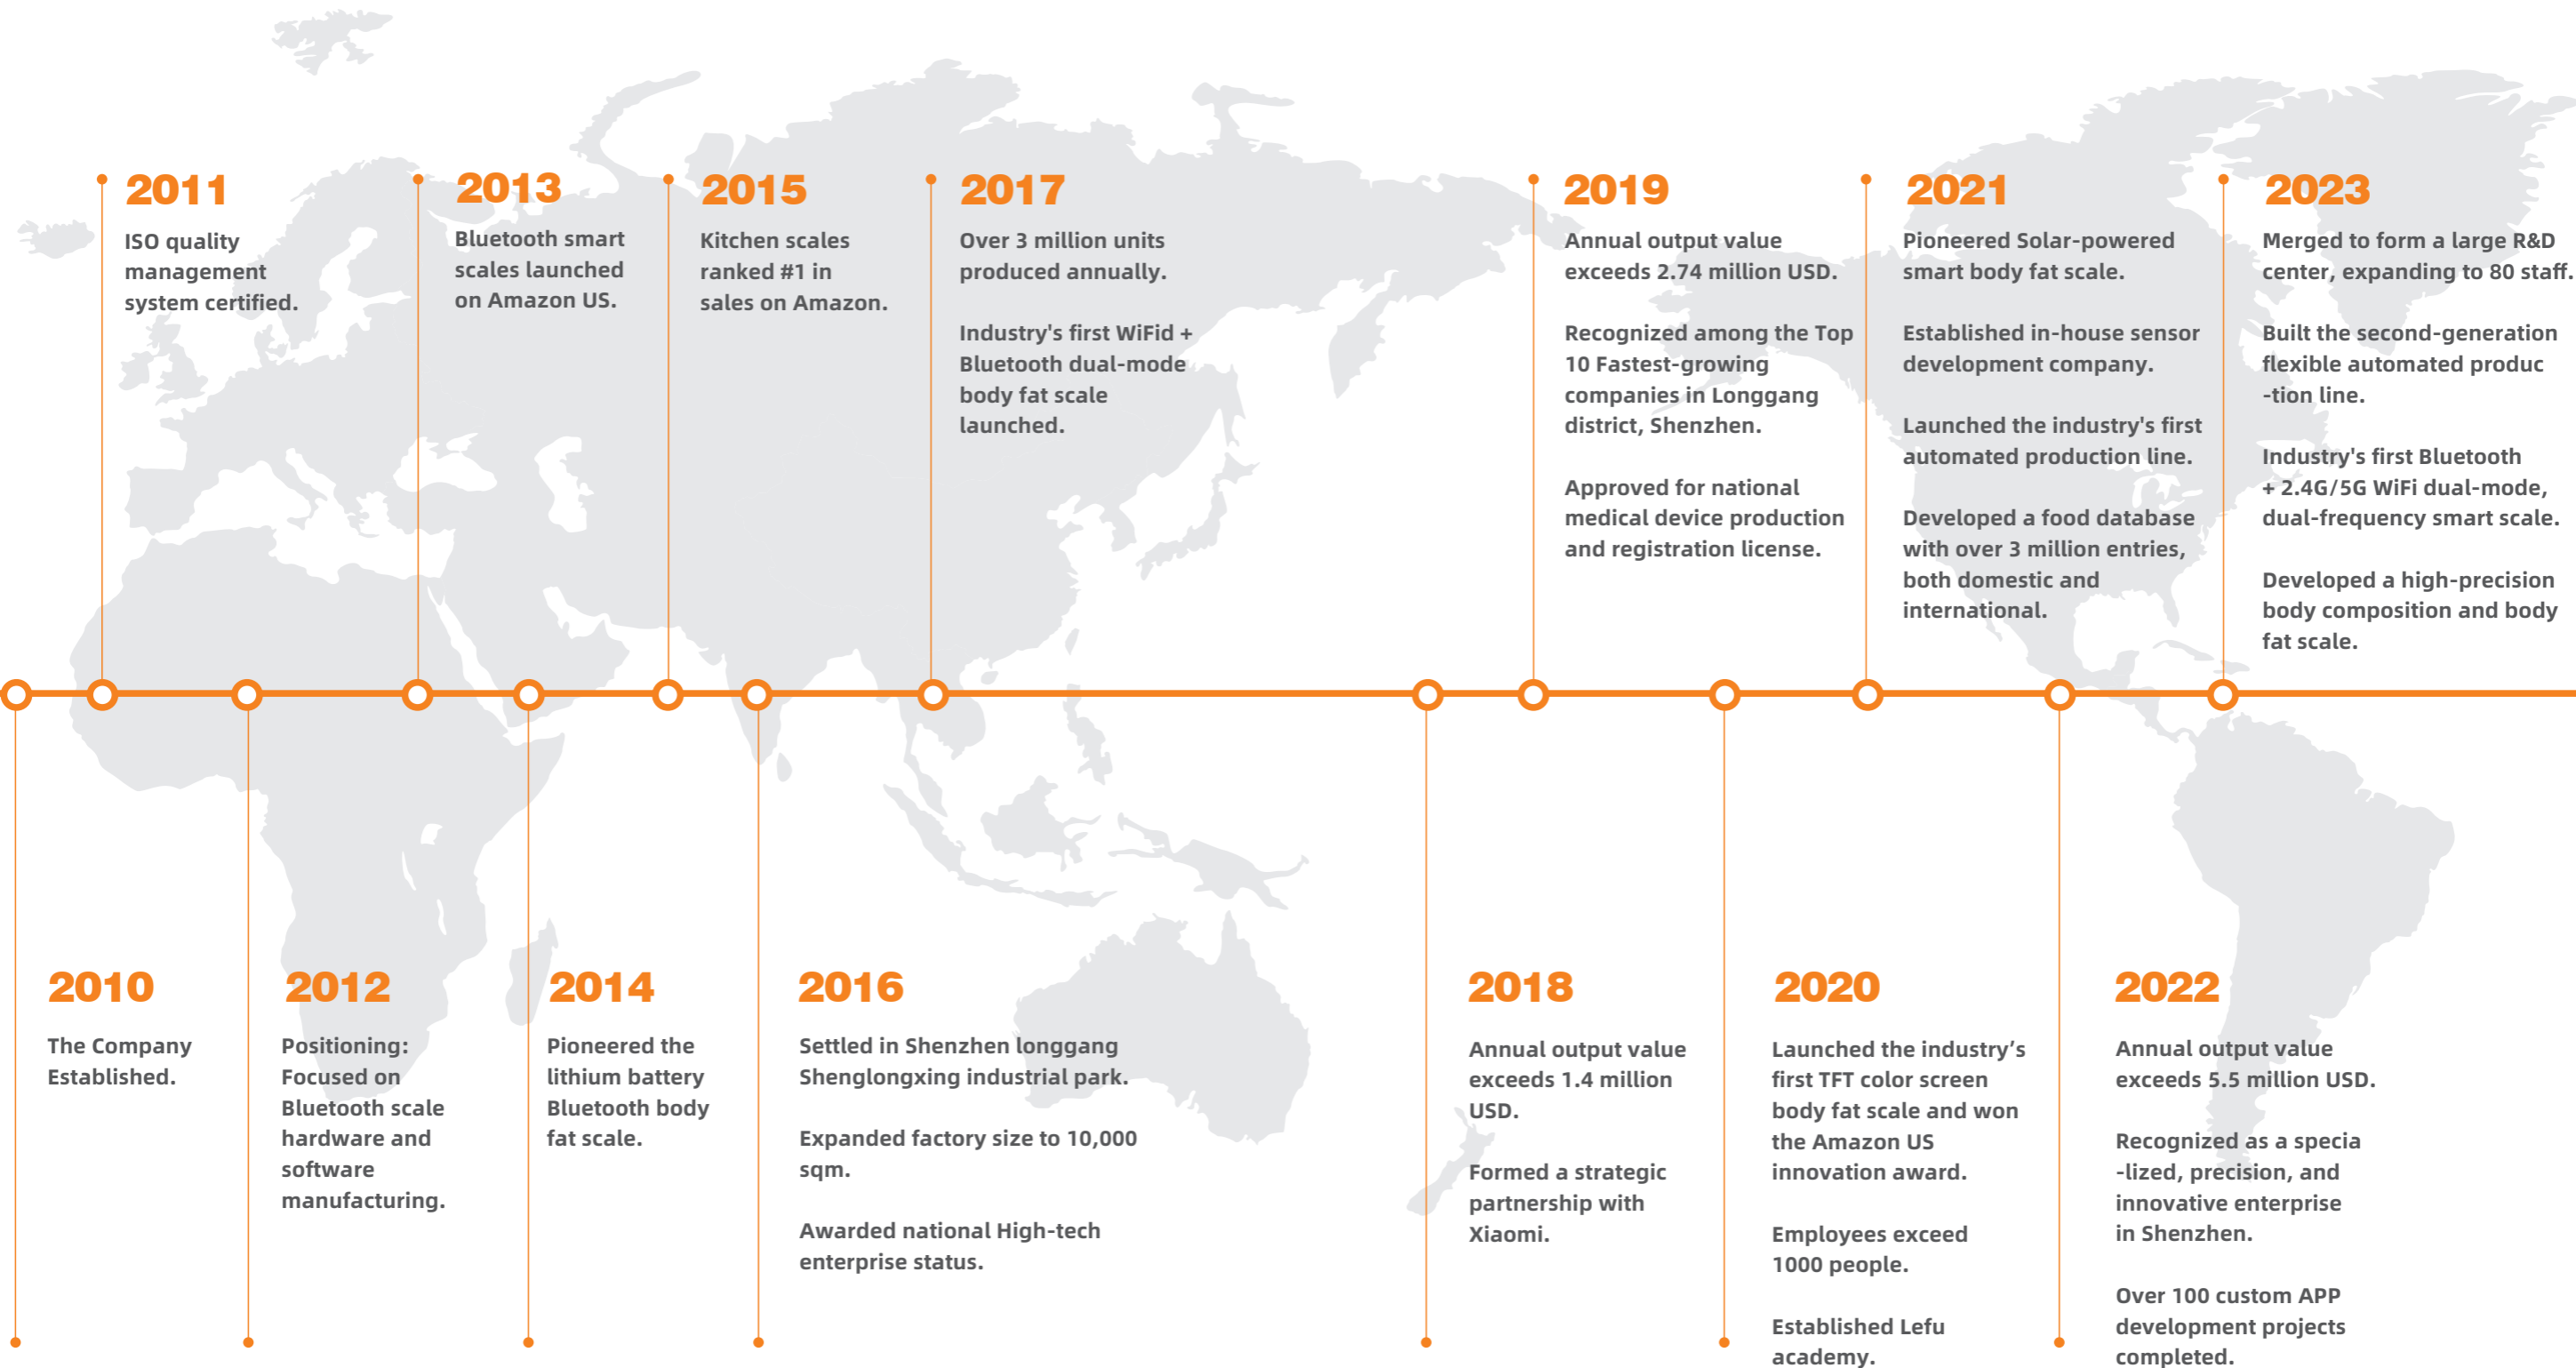

### Mission

Innovating with intelligence for a healthier, better life.

### Values

Customer success, passion, openness and integration, simplicity and efficiency, honesty and integrity.

# COMPANY HISTORY

# OUR SERVICES

## Software OEM

- Custom App development
- End-to-End professional testing
- Continuous software optimization & support
- Cloud platform development & management

## DATA Share
